DUCHU IS A STIMULANT, and of ligelf when scientifically combined with Bromide of Potassium and other ingredients, produces a sedstive effect, and causes a healthy nction, thus increasing the powers of diges-tion, allaying irritation, reducing all un-tion, allaying irritation, reducing all un-tions, allaying atopping pain and inflam-ments in the numan body to be greater than the wastes, thus preventing decomposition

Twenty-five or thirty years ago, as my fellow-citizens know full well, found me be hind the prescription counter in the city in which I now dwell; I have cured more people of various discases than all the physicians in Louisville put together. Undoubtedly, for every single patient that any Louisville physician has I have a hundred. I am no upstart of yesterday. My Medicines are a success-a great success. Louisville is not large enough for me to have a competitor. I monopolize the Wholesale Patent Medicine Trade here. One and another has tried, by copying after me here in Louisville, to compete with me, but, one after another, their guns have been silenced, and their efforts have been aborti-My Medicines are good and answer the purpose-that is the secret of my success. My reputation as a compounder of good, reliable articles is fully established.

I believe my Buchu and Bromide of Potassium is the best article now in the market for the cure of all diseases of the urinary or genito-unrinary organs, such as Noctur-nal Incontinence, Irritability of the Bladder and Urethra, Inflammation of the Pelvis of the Kidney, and all that class of diseases.

The proprietor of this celebrated medicine justly claims for it a superiority over all remedies ever offered to the public for the safe, certain, speedy, and permanent cure of Ague and Fever, or Chills and Fever, whether of short or long standing. He re-fers to the entire Western and Southwest-ern country to bear him testimony to the truth of the assertion, that in no case whatever will it fail to cure, if the directions are strictly followed and carried out. In a great many cases a single dose has been great many cases, and whole families Southern Express Company have been cured by a single bottle, with a perfect restoration of the general health. It is, however, prudent, and in every case It is, however, prudent, and in every case more certain to cure, if its use is continued in smaller doses for a week or two after the in smaller doses for a week or two after the disease has been checked, more especially in disease has been checked, more especially in difficult and long standing cases. Sr. Louis, April 30. DR. John Bull-Dear Sir : Knowing the efficiency of your Sarsaparilla, and the healing and beneficial qualities it possesses, send you the following statement of my case: I was wounded about two years ago-was taken prisoner and confined for sixteen months. Being moved so often, my wounds have not healed yet. I have not sat up a mement since I was wounded. I am shot through the hips. My general health is impaired, and I need something to assist dozen bettles, and oblige CAPT. C. P. JOHNSON,

P. S .- Mr. Johnson was the son of a skillful surgeon. His mother recommended to her friends, and for many years used my Sarsaparilla with perfect success. In Scrof-ula and Fever-sores Mrs. Johnson states Nashville and North-western that the cures effected were almost miraculous. Read my Journal for extended in-formation and advice in your case. My Journal contains certificates of eminent persons, ministers and medical men-men who are known here in this community for integrity and veracity.
